Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner proposed amending claim 1 with the limitations of claim 24 in order to distinguish from DeMore et al. Applicant's representative argued that this was not necessary as DeMore et al did not disclose the limitations posited in the last paragraph of claim 1. The examiner found these arguments persuasive and agreed that the claims were allowable over the prior art. And as claim 1 is a generic claim, the withdrawn claims 3, 5-21 and 25-27 were examined on the merits. Several of the claims were agreed to be amended as reflected in the accompanying Examiner's Amendment in order to clarify the claims and obviate certain informalities.
